“Darlene, Mike, and Brian I wish so much I could be with you all tomorrow to honor Ken my first cousin. Ken was so precious and kind to me always when I was growing up. I still have a favorite picture he took of me when I was a little girl holding my baby doll. He was handsome and had a voice that was a Gift from God. I send my love to you all. Brian, thank you so much for singing during my Mother's Celebration of her Life - Marie Glasby. She told me when she requested you sing that you had a voice like none I ever heard before. She was right. My heart will be with all of Ken's family tomorrow. I know you all love him and Ken will be a part of your lives forever. I know God surrounds you all. God has another Angel. His name is Ken. Our Mothers were Sisters. Sally Glasby Breazeale

“I used to listen to Ken Dee on WQOK (1963-64). I met him in 1963 at the Greenville County Fair. He was broadcasting from the WQOK mobile unit while suspended by a crane above the fairgrounds. I also saw his sports broadcasts on WLOS-TV 13. My deepest sympathy goes out to the family.
