“ This has just shocked us to hear of Kim passing! We adored and loved Kim! There was nothing that woman couldn't sew or make! From my dance costumes, prom dresses, pageant dresses and my wedding gown! She did it all and it was always perfect. She was loving, feisty, and the most genuine person you could ever meet! My mother loved Kim with all her heart and has since Kim was a little girl. I have so many wonderful memories of Kim and being at her house with all the kids when we were younger! To the family, you all are in our hearts and prayers.

So sorry to hear of Kim's death. I knew her in our youth group back in 1972.
