

Kimberly Davis-Utterback

December 2, 1966 - March 6, 2024

Kimberly “Kim” Davis-Utterback, 57, passed away on March 6, 2024. Born in Mineral Ridge, Ohio, daughter of the late Gwendolyn Davis and Richard Davis, Kim was born on December 2, 1966. She was passionate about all that she did and prided herself on working in the Bed Office at Greenville Memorial Hospital for over 15 years where she made many, many dear friends. She never held back a thought and lived her life fiercely. She was at her happiest on vacations with her family whether she was in Disney World, Hawaii, or on a cruise getting tan as ever. She loved her family, friends and loving on anyone she met especially kiddos, but most of all she loved her cat, Maxie.

Surviving Kim is her husband Dale of the home; her two daughters Ashley of Greer and Brittany (of the home); and her sister Linda Geister of Georgia. She was predeceased by her eldest sister Jackie who she loved dearly.

In lieu of flowers, donations may be made to the pediatric ICU at Greenville Memorial. This would be greatly appreciated from the link below: https://www.amazon.com/hz/wishlist/ls/3R23ULJAYLZIE?ref_=wl_share.

“ Kim was so self-less! The type of lady who took care of everyone, spoke to anyone she met, and loved her family! She was so tough after going through so much. I was blessed to know her for 2 years at work.

“ Dale & girls, there aren't enough words to say how sorry we are for your loss. Every time we came to town, if we saw Kim, she always came up & spoke to us. I know she will be missed by many. Just remember you will all have a special angel watching over you. May she rest in peace.

“ The last memory I shared about my Aunt Kim is her coming up to the hospital to meet my third child, her great nephew, and the nurse asking if she was the grandmother, we were both like no, and said the great aunt and I agreed she is a great aunt. :) We will miss you Aunt Kim. I'm glad you got to meet Zayne and the balloons You brought to the hospital are all in his first baby photos that were professionally done.
