“ I am so very sorry to read of Kimberley's passing. She was always so very kind and genuine every time I ever spoke with her. My heart goes out to all of you, Bud, Kathy, Matthew and Wes and the rest of the family. May you always remember and cherish the beautiful soul she was and shared with each of you (and us) as well.

“ Sorry to hear of Kimberly's passing. She was one of my co-workers even though we never actually met -- living on opposite coasts and me working remotely. God bless her family during this time.

“ Our prayers are lifted up for Bud and his family in the home-going of his precious wife. I knew them when Bud pastored at Norris Hill PCA in Anderson. Kimberly was always encouraging and joy to be around, as well as a faithful servant of our Lord Jesus Christ. TE Daniel Pruitt

“ I knew Kimberly through her husband Bud as he was pastor for my younger daughter. He officiated the wedding vows for my eldest daughter & son in law. Kimberly was such a sweet & gentle being. During her sickness she had a grace & strength only God could provide. When I offered to encourage & pray for her, she was more concerned about me and my grief. My heartfelt sympathy & many prayers for Bud. I grieve for him as he walks this path without his loving spouse. There is no way to understand it until one experiences it personally. It is overwhelming at times. I pray for Matt & Melissa as they grieve for a precious mother & mother in law. May God give great grace & sustain them all.
With deepest sympathy, Loretta Bell

“ Kimberly and I have so much in common, that it was very difficult for us to end a conversation. I enjoyed them very much, and look forward to many more on the other side. She is a truly wonderful daughter of God. I am truly grateful that our paths crossed in this mortal life.

“ Kimberly was the first person I met the day I started working for Fluor 24 years ago. I was scared and nervous, and she happened to meet me in the parking lot with a big friendly smile and enthusiasm for me to be there. Over the next several years we had many conversations about life and the Lord and family, and she was such a source of optimistic encouragement in my life. And God placed her there just when I needed someone. I am so very grateful for her presence in my life. My heart goes out to her family. She was a truly wonderful person.

“ I worked with Kim at Fluor and will always remember how kind she was to me and everyone around her. Her character is an example of how we should all live.
