“ I am very saddened to hear that Kim is no longer with us. My sister, Marie, graduated with Kim and I remember them playing ball together at BRHS. I pray for all of Kim's family and friends to find comfort in this time of loss. Cherish the good times and lean on God to heal your pain. “ I agree with David Campbell. Kim will always be etched in my memories as a basketball standout! Kim was a leader on and off the court! I had the privelege of attending BRHS with Kim (and Sharon!) Ahhh... Those were the days! What fond memories! My heart aches for your family. I can only imagine the impact this will have. May God bless you and comfort you as only He can! Please know you are in my thoughts! RBB###imported-begin###Rita Barnette Burch###imported-end##

“ All of my memories of Kim always puts a smile on my face- Like it or not, She would shoot straight from the hip. I saw what was deep inside of Kim. She had a great heart. She would say sometimes when she would call that I needed to pick her up and she looked up to me. I just knew from her family that she had good in her if she would just apply it. I will never forget the time she came over to my apartment one night and was wanting to pop some pop corn- I had the jiffy pop that you cook on the stove in its own tin pan. Kim pulled the top off the pan and started popping - I came around the corner and she had bowls in her hands trying to catch all the popcorn flying everywhere! That was hilarious!! That was Kim- Sybil I will remember the good in you!###imported-begin##Toni Fridal###imported-end##

“ I coached Kim her sophomore, junior and senior years in basketball at BRHS. I coached girls basketball at BRHS from '79 through '85 and kept up with the team from the sixties to the present. In my opinion if an All-Star Team was selected from all the great girls basketball players at BRHS, Kim Henson would be one of the starters. I will always remember her.##imported-begin##David Campbell##imported-end##
