“ I'm so sorry for your loss. I worked with Kim as a physician in the ER years ago when she first was diagnosed. I was part of the group that took her out for her reconstruction party. We got a cake shaped like a breast and went out to celebrate. I will never forget the look on the waiters face. I moved out of state shortly after. Kim was a kind and sweet hearted person and I was happy to have known her. Deepest regards,
Sue Gedanke
