“ *Many memories we have my friend. 30 years worth. I will forever miss all the trouble we got into at work! Lol...riding in the car on our lunchbreak singing "Country roads". That song will forever be you. I will never forget how you always made me laugh until my ribs hurt! I will always remember the love you have for your family, and how proud you are of the grand babies. We will meet again. Save me a seat on your cloud.*
