“ We only knew Kim for a the past 2 yrs at LWCC but if felt like we've known her forever. Kim was such a kind and extremely welcoming soul. I was her Secret Sister at LWCC last year and as I look around my home at the gifts she gave me, I am reminded how blessed I was to have known Kim even for a short while. It makes my heart happy to know your race is won and you are finally home. You will be terribly missed here on Earth but pray we meet again!

“ I will miss her laugh. She was always so bright and cheerful that if she cried, I could feel all of creation weeping with her. I'm glad my late husband Michael was among the many there to welcome her home, as she was one of his favorite people.

“ *As a member of Southside Baptist Church, I grew up with Kim and her entire family. Although I haven't seen any of them for years , will always remember what an amazing, kind and caring family they were to all of us at Southside... I also recall that Kim was a beautiful young lady and also a great skater . I also remember talking to her brother Scott on the church steps sometimes before service . Kim's dad, Jewell, would buy annual yearbook ads from me to help support Riverside High. A sweet and wonderful family who I will always remember fondly. To the entire family , I'm so sorry for your great loss and I know God will give you the strength to navigate this journey of grief and healing .*
