“ *King was one of the best people I've ever known, He was a co-worker/boss/friend, a role model of a husband,father and friend,and a vietnam vet. I will always respect and love him for all that he did for me and others. They just don't make people like him anymore. RIP*

“ *I am saddened to hear of King's passing. We shared a lot of the same classes at BRHS, and he was a fun classmate. I had the pleasure of seeing him at our 46th reunion. He still looked the same just a little older. May God bless and keep you during this difficult time. Phyllis Duncan Nelson, Tustin, California*
