“ *Kristine Denise was my Beautiful Niece. The daughter of my Sister Annette. I loved to spend time with Kristine and her brother Kent and her sister Karen when Annette moved back to Denver. The memories of her cousins Byron and Tim going on trips to the mountains for a weekend, or to see our relatives in Sterling, Colorado bonded Kristine with them. Kristine had many cousins between Colorado and South Carolina. Her eyes would always twinkle and her giggly laugh would bring her beautiful smile for everyone to enjoy. As she grew into a woman her face became the image of her Grandma Maggard and her Mother Annette. The three of them are now together in Heaven. I can see them gathered in a beautiful flower garden talking and hugging each other. God has promised each of us that we will someday join them, and all our pain and worries will be over. I Pray to Jesus our Savoir to be with all of who are grieving the loss of Sweet Kristine Denise. Bless you all, Aunt Carol*

“ *We met 23 years ago when my daughter and Alana and Amanda were 3 years old. She wanted to spend the night with the girls so I wanted to meet them and their mother as Kassie never wanted to stay away from home. That was the first day of a wonderful friendship that lasted over the years...hanging out with the kids then just us meeting for dinner and girl talk. I'll always treasure you my friend and so sorry that I wasn't there and I'll always miss you laughter, even the snorts and the sunshine you always brought with you. I love you always Kristi!!!! Forever your Pamela Marie!!!*

“ *I would just like to say to Kristie's family that you have my deepest condolences. Kristie and I worked almost side by side for about thirteen years before I retired. We saw each other every day and had little short talks before we would begin to work. We grew very close. She was a strong person and a person of great character, who was beautiful outside as well as inside and I feel privileged to have been her friend. She will be greatly missed by myself, as well as her two beautiful daughters and that most precious grandson Camden. I pray that this family will come together and help each other through this great loss. Susan Reynolds*

My prayers are with Alana & Amanda, I sat in the cubicle next to your mother for several years in the PASS Dept. at Patewood. She talked about her two girls and she was always smiling.
She loved the two of you & when the baby was born she called me to give me the good news. She was so proud and she couldn't wait to love on her new grandson. She was a beautiful friend & co-worker, I will miss her but when I saw her smile I felt she is at rest & she's watching over her girls & grandson. No more worries or heartache. We will see each other again and Jesus will take care of Alana & Amanda & your grandson...

“ Met Kristine after work one night for dinner. This was the first time I saw her outside of work. She was a different person. She could not stop talking about her daughters and her grandson. Her face just lit up with happiness. I choose to remember her that way. Smiling and happy. She loved her girls and her grandson more than anything. I'm very sad to hear of her passing.
