“ It is so hard to believe our sweet boy has left us. It seems like yesterday I was babysitting Kyle. We had so many happy times together. Kyle always had a smile and loved life. He was so blessed to have Amanda to love and to love him. I know Olivia will miss her father but we will always see him through her. You fought hard Kyle, but now you can rest in eternal peace. We will all miss you but will see you again in Heaven.###imported-begin###Aunt Lee Ann###imported-end##

“ I know Kyle though a project he was working on at my house. My wife and I are so sorry to hear of his passing. He was a great person to have on our project, hard working, respectful and always took time to talk and even play with the dog. The interaction he had with his boss Jerry always cracked us up. I asked Kyle one day near the beginning of our project if he thought this would be the most difficult project he had worked on to which he replied “not at all”. As the days turned into weeks unexpectedly, he asked if I remembered asking him if this was the worst job he’d worked on. I said “yes” laughing, and he continued saying “it’s getting pretty close”. Kyle made his mark on our house and our lives. We appreciate having known him and he will be missed.

“ To My Dear Cousin,  
God has received a special gift from below. You fought one strong battle and won the most valuable reward of all, to get to walk the "streets of gold" in a place that you so deserve. You were blessed with a beautiful daughter, a wife that has shown her love for you greater than anyone I have ever seen, and with a family that loved you more than you probably ever knew. You blessed us with your humor, your heart of gold, intelligence, will power, love, and memories galore. You will be greatly missed! We love you Kyle Robert!###imported-begin##Kelly Vaughn & Family###imported-end##
