*I was so thankful for a dad like him! Anytime I needed him or needed something he would drop whatever he was doing to do it! Things will never be the same for me and my family! I promise we will keep your memories alive and cherish each memory we have! I'm so thankful for all the pictures and things we did together to hold me over until meet again old man! I love you so much! Emma keeps asking about her papa and I promise I will take care of mom and Maggie like I promised! I know that's why you held on as long you could because you didn't want to leave mom! We love you to the moon and back old man and until we meet again I know we have a guardian angel to look after us!*
