“ Larry and I spent a lot of time together both in and out of uniform. He made alert tours in the USAF at Blytheville AFB more bearable with his sense of humor and his sage advice. He was a terrific mentor both professionally and personally. He will forever be missed.

“ *I never got to know Larry very well because he was much older than  
us and away with the service when we were growing up. But the few  
times I did see him I sensed a man with a good heart, a warm  
disposition and a very caring person. I know he was a wonderful  
son and very good to his mother. May he rest in peace. I know his  
father, uncle, aunt and grandmother are at the gates to welcome  
him home with other loved ones that passed before him.

“ I met Larry and Cleo last year when I was in the Cottages with Larry. It was easy to see the love they had for one another and for God. Larry was a genuine friend to all he met. I pray that God will wrap his loving arms around this family and give them so much comfort during this sad time.

“ Larry was one of the most kind and gentle persons I have ever met. A true and faithful follower of our Lord who cared deeply about lost and suffering people. We both shared a love of the Air Force. His wisdom and guidance has helped many of us through difficult times. He will be deeply missed and his memory cherished.

“ Larry has been a real blessing to us. He had a great Sunday school class. He was the best friend I have had in my life. With all of his problems he was always there to listen to other people's worries and never once complained about his own. I will miss talking to him everyday. Larry was one of the most godly men I have ever known. We love you and miss you dearly. Raymond and Sharon Burrell

Larry was a Godly and kind man whom I met when he was our Military QAR Rep for military fabrics at Milliken. He was extremely helpful with a strong Christian faith that made my job responsibilities much less stressful. RIP Larry. Nancy Raven
