“ Mr. Paris was a special Gem. Coming in everyday, seeing him in the hall was precious. He would say, “I’m glad you’re here.” He was the father on the hall and kept the peace. He was my family. I would always say” I’m going to call my brother on you, Shane. And he would say,” you better not.” He knew he could talk to me about anything us. Have a special place in my heart.
