“ So sad to hear of Larry's passing. He hired me into Cryovac and was a terrific guy. I'll always remember him as a perfectionist with the highest integrity and the patience of a saint. He was a good man and a good friend, with a big heart. I'm sure he never thought much about it, but he had a huge impact on my and my family's life. He recommended that Cryovac hire and relocate me from the Boston area to Greenville 23 years ago, and it changed my life in so many wonderful ways. Thank you Larry!!! Rest in Peace.

“ We used to live out from Larry when we were children in school. He would come to our house and play the piano , and we would play church. and anything else just had a great time. We were 8 girls, and he was the only boy. Those were the good old days . He will be missed by many
