“ Gail, Allison, and Sandy,

I'm so sad to hear of Larry's passing. Since I met him when I was twelve years old, he was someone I admired tremendously. He always told me that if I wasn't interested in a career as a professional golfer, the next best thing would be technology. I followed his advice and the choice has served me well. My thoughts are with you and your families.###imported-begin##Andrea Snow-Weaver###imported-end##

“ I'm so sorry to learn of the passing of Larry. I remember him well from working with him at Hollingsworth. I left in 1991. I worked for Leland King in the International Dept. He and the other guys in our area liked Larry so much. Leland and Larry were good friends and golfed together, so I heard lots of stories about Larry--good ones! He was well liked and always a welcome person in our work area, bringing a smiling face and laughter to the "hardworking" crew! May God comfort you in your loss,

“ Gail, so sorry to hear about my longtime friend. Time has went by too fast not to see you all that I grew up with. Was Larry sick? So sorry again, but I will be working and can not attend, but know I will be praying and thinking about you all. Send my sympathy to the rest of the family. Love you Gail.##imported-begin##Marcelle (Batson) Nichols##imported-end##
