“ You don't meet a lot of people in life like Larry. Cherish the moments you have with the people you care about. Larry was full of humor, love and kindness. From the first day I met him, he never treated me like a stranger but like a relative that had always been a part of his life. I will miss the chats and guidance he provided me during the time I knew him, the funny emails he would send or the small rants he would go on when we spoke. I know he is in a better place, no longer suffering or in pain. Prayers and thoughts to his wife Linda, his children, grandchildren and other surviving family. - Adam
