“ *My darling Larry was a special young fellow, and son. We will miss him so very much, but we know he is in heaven, & seeing his special friends, especially Mr. Cagle, who he dearly loved. Thank every one for their prayers, and loving kindness, during this very sad time. Bless you all !###imported-begin##Martha Moore###imported-end##*

“ *Dick, Mr. Carroll, and Mrs. Martha, I am so sorry about Larry's death. He was a part of the special times I spent in your wonderful little town. I know you have many great memories that will sustain you in the time to come. Please know that I will pray for you all. When my aunt Kay Parris died, the minister read a passage that said, "Down here we are saying, 'There she goes', but up there they are saying, 'Here she comes.'" I found that very comforting and have never forgotten it. Maybe it will help you, too. God bless you all.*

“ I know that you miss Larry, but at the death of our daughter we took comfort in knowing that King David knew there would be deaths and that God knew her death date long before he gave her a birth date (Pslm 139:16) God only stepped out of eternity into time and shared her with us for a season, and then he took her back. We greatly loved her and miss her, but God had greater plans for her. God loves each of you and His plan for Larry is continuing on. “ Dear Mrs. Moore & Family,
I was so deeply sorry when my mom informed me of your loss. I don't know if you remember me but Mr. Moore photographed me for my wedding portrait in 2004. He took such care in working with me and I have never felt more comfortable. It was clear that this care and attention to detail was not only in his work but in his life by watching the two of you. My mom and I were just talking about the both of you; you worked so well as a team and took such pride in your work and that came through in your photographs. I was so happy that I had the chance to meet the two of you. You touched me and I think of you every time I look at my wedding portraits. Our sincere thoughts and prayers go with you and your family at this time.

“ Dear Moore Family,
I was shocked and saddened to hear about the untimely passing of Larry. I have very fond memories of hanging out with him and Beth and Dick in the little house in Duncan. I was so impressed when he took over Carroll's photography business. After all, there was a long tradition of Moore's photography in Duncan.
My sympathies go to you all.
Sincerely,

“ Larry,
I will miss you. Every time I look at the many pictures of Colleen that we have hung in our house, I will think of you. You are in a better place now, and some day we will be with you again. Our hearts hurt right now, because we wish you were here with us. But we know that you are happy where you are, and you are no longer in pain, and this gives us comfort.

Love,

Your sister-in-law, Barbara###imported-begin##Barbara###imported-end##

“ Larry,
I never thought I would have to do this so soon. I love you and miss you so much already. I know you are in Heaven now, walking and talking and feeling no pain. It may seem like a long time to me before I see you again but to you it will be just a short while. Everything for you is ok now, I miss you and love you. Bye, your bother Dick.###imported-begin##Dick Moore###imported-end##
