“ Dear Cindi and family,
We have been thinking about you all and praying for you since we heard about Larry's homegoing. We just lost my Dad, Billy Hyatt, last April and we know what you are going through. We miss him just as much today as when he went home. and its been almost a year. But God is good and His spirit lifts us up on eagle's wings. Your Dad will always be with you in your memories and in your heart. I thought a lot of your Mom and Dad both. They are together walking those streets of gold and hearing beautiful music like you have always given them with your voice.
Love and prayers,

“ Cindi, Tim and Family,

I was so sorry to hear about your father's passing. I know how special a father can be. I know that it's so hard to understand, why life hurts us so deeply. I do know that God loves us and He hurts when we hurt, but He will give you and your family, the comfort and strength, to get through this very trying time of your life. The Hope that Jesus gives us in knowing that we will see our loved ones again !

1 THESSALONIANS 4:16-17

16. For the Lord Himself shall descend from Heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17. Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air: and so shall we ever be with the Lord.

I love you and I'm praying for you.##imported-begin##Jo Ogle Styles##imported-end##

“ Cindy, Tim, Addison & Mattie, you are in my thoughts and prayers. Your Dad and Papa was a great man who loved his children and his grandchildren with all his heart. He also talked about his sweet Mother and how he loved her.

I am saddened by his sudden death but I know that he was always a happy, cheerful man who enjoyed life to the fullest.

I will miss his e-mails, he actually had sent e-mails the day of the accident.

I'll also miss his hugs at church and his sweet friendly nature.

This is such a loss for your family but we know he's in a better place. It's still very difficult to face the loss of his physical presence and at the same time he will always be present in your hearts.

May God Bless and give you the peace that only he can give.

Love & Prayers,

Libby###imported-begin###Libby Pearson###imported-end###

“ Cindi & Sherry,
I am so sorry to hear about your dad. He was such a sweet man. I met him while working with your mother at Dr. Fowler's office. I loved your mother so much. She was like my second mother and taught me so much. Now, they are together again. Please know your complete family will be in my prayers. You two girls meant the world to them. I've heard them say many, many times how special you were to them. Just know that you will always carry a part of them with you as long as you are alive. Something can happen that will make me think of your mother and I might laugh or cry. Larry died doing what he loved, riding the 4-wheeler. I love you all and I know I don't see you, but I do think of you often. May God bless you all! Amy Clark-Fowler###imported-begin##Amy Clark-Fowler###imported-end##
