*I don't have many memories of Aunt Laura but I do remember the time when she lived in Mississippi with her girls. I remember hanging out with them a lot and getting to know our cousins. I know that they all loved her very much. She will be missed.
Love you Aunt Laura.*

My little sister and I were very close, though we had not seen each other in many years. We could always laugh at and with each other and when needed console. I am lucky enough to have many heartfelt memories that will remain precious until I die. GOD bless you and keep you Lolie.
