“ Rick, Please know that Chris, our children, and I are praying for you and the family, and have been during Laura's illness. I have so many wonderful memories of as a child playing with Laura, Debra, and Sonda at Grandma's house. Playing in the peach orchard and grandma running us out with the fly swatter and or a hickory and laughing so hard that she did not punish us. Laura has been so good to me during my illness this year and I have every card that she sent me.....they give me comfort. God will give you and the family comfort, just trust him through this difficult time. We love you all!
