“ Dear Bonnie, I was so very saddened to hear about Lee. Even though it has been years since we have seen each other or talked I wanted to send my heart felt condolences. Miles and Betty Bruce were at a surprise 83rd birthday party for my mother on Tuesday when she returned from Rehab in Brighton Gardens. My husband Mark and children, Israel, Noah, and Sloane Anderson were with me when Miles told me the news. It is so sad to experience such a deep loss. Really there are no appropriate words, however, know our prayers are with you and your family. May God truly be all that you need in these difficult times.##imported-begin##Stephanie Giles Foster##imported-end##
