“ Dale,  
*I have many great memories of your mother, especially those times me, Donna and Glen came to visit. She made the very best iced tea and her cooking was always delicious. But more importantly, was how kind and sweet she was! I'm so grateful I got to visit her again, although it was hard seeing her after many years. But I know she knew who I was.....and she knew that I loved her very much. The funeral service was a beautiful tribute to her, Thank you for that.*
