“ To the Bradshaw Family:

I am so sad to hear about your loss. I have so many great memories from bible school to high school and growing up with you as friends and neighbors.

As a young boy, I remember Lemuel making at least one stop per day at daddy's station. Usually to get a coke, or just catch up on the latest news. He never got gas though, his green Ford "truck-tor" burned diesel! If he didn't stop, he always threw his hand up as he went down the road.

Please accept my deepest sympathies for your entire family during this time.##imported-begin##Robert Barnette##imported-end##

“ *Mr. Bradshaw's passing will leave a deep void in the lives of all who loved him. That loss can only be lessened by the wonderful memories he leaves with all who had the privilege of knowing him.. He always welcomed us and made our visits with him a joy. Please let Lane and I know if there is anyway we may assist the family during this difficult time.##imported-begin##Henry and Elaine Stewart##imported-end##*
