“ Len was a man of God who along with Betty Ann were dear friends for many years. They literally opened their home to us and stood as grandparents to our children. Although, many years have passed, we love their family and pray God’s comfort in the days ahead! We know we will see our friend again on the other side of Glory!

“ I remember my uncle Len always trying to teach me something new about God’s principles of life. I would hear him call me over with a wink and nod and when I got there, he’d ask me a very serious question that he was expecting an answer to. If I didn’t know, he would encourage me to go find out. As I was younger, we continued to have conversations and he would share God’s truth with me when I was too young to go look it up myself. I remember many vacations on the hill. Such special memories that I will never forget.

“ I'm so sorry for your loss, but I just wanted to share with you that I remember Mr. Crabb as my Sunday school teacher in a little small room behind the piano at HRBC, I think I was about 3rd grade, but he challenged my thinking and asked a lot of deep questions that made me think outside the box and helped shaped my understanding of the Holy Spirit and who God was. I'm so thankful for his ministry back then to us little kids. I'm glad to know he is with Jesus! Well done!
