“ I would like to send sincere condolences to all of the family and friends. I consider Mrs. Smith a mentor although we only met briefly, she made herself available to me by phone if I had questions and she will live in my heart forever. She sparked an interest in herbs and flower cookery in me that will last my lifetime and I hope to pass on to children and grandchildren. She was a gem!##imported-begin##Linda Monkoski##imported-end##
