“ *Leonard was a wonderful man and a friend. I can't say how many times over the years I could go in looking for truck parts and leave with the part I needed and a smile from just spending a few minutes with this man. He always made me feel like he was so happy to see me. I am so sorry to hear of his passing and that I didn't have one last chat. Leonard was a true inspiration for what our world needs today.*

God bless this family
