“ *Nancy and Family*

I was so deeply sadden to hear that Leonard had passed on. I have been very fortunate and blessed to have known you and Leonard for nearly 30 years. After our meeting in March, I called to check on him I believe sometime in June. At that time he sounded good. It is so sad now to know that his situation must have begun to deteriorate rapidly after that time. I pray that our Lord will provide you with strength and comfort during this difficult time. If I can be of any assistance to you in any way, please let me know. I will very much miss my annual visits with Leonard. Heaven awaits him with open arms.
