“ *I'm so sorry for the end of this life for Red although I know his health had failed.
He always had such a good heart and opened his door to so many who had nowhere to go.
I know he made God smile by being so kind. He helped members of my family many times
when they were down on their luck or had made bad choices. He wasn't perfect just like all of
us but he had a heart much bigger than most.He will be missed and remembered by many.*
