“ *Lindy and Florence,
Our thoughts and prayers are with you at this time. Lettie was a special person here at the Cottages. You can know in your hearts that she was well taken care of by both of you. I personally know that your desire was that her needs were met in every way. I know you will miss her, but know that your emptiness will be filled with all the prayers of your many friends. She is at peace and is now united with her loved ones in her eternal home. May God bless both of you.*
