“ Dear Family and Friends, we are praying for you all. Lila touched so many lives. There are not enough words to express how much she is loved. She is no longer suffering but is with Jesus, walking on Streets of Gold, and in a New, Perfect Body. Lila loved Jesus and sharing Jesus with others.

Her smile would light up a room. She was always positive.

Lila and I have been friends since childhood. I have many fond memories of times shared with Lila.

She always had such a warm smile and loved everyone. She was always concerned with other people, loved her family and loved God, 1st of all.

Lila leaves behind a wonderful legacy. She was an exemplary wife, daughter, mother, aunt and friend. Many times we would pray for each other.

Earth's loss is Heaven's gain. Thank God we will reunite with Lila in Heaven. Lila brought beauty to the world.

May God provide your each and every need including grace, peace, comfort, love and discernment. I cherish all of the memories and times spent with Lila.

She was such a gracious Southern Lady. If there is someone, either

a Friend or Family Member, who is not saved, may this be the time that someone will repent of their sins and accepts Jesus as their Lord and Savior. Remember the special times shared with Lila.

You are all in our thoughts and prayers.

“ Dawson, words are inadequate to express my sympathy to you for the loss of Lila. You and Lila have been a lifeline for me since Bobby's death in February 2019. I'm sure you all did not realize all the times you would call or visit when I was having a "pity party" and immediately my spirits were lifted. Thank you and Lila for the priceless gift of your friendship all these many years! She and I had some thought-provoking conversations but also some full of laughter and old memories. In the chamber of my mind, I can still hear her laughter as we strolled down memory lane. The love she had for you and others was evident in the life she lived. May God continue to bless and use you for His service.
