“ *Ms. Lila was such a blessing to us. We have many fond memories of our Tuesday morning shut in visitation with her and all the pictures we had to pose for we are so thankful for.. The smiles, the great big hugs from such a tiny little lady and the way she could make you feel like you were the MOST important person in the world will always be so dear to our hearts. We are truly going to miss all of those precious things about her, but knowing she is in heaven with our Saviour and that we will one day see her again will make that void a little easier. Our thoughts and prayers are with the entire family in the loss of your mother she was truly loved by so many. Thank you for sharing her with us. God bless you all.##imported-begin##Robert and Lori Turner##imported-end##*
