“ *Ms. Lillian, you are one of the most precious people that I have ever met!!. My heart aches for all that you have gone through in the last few years. You have been a trooper and never complained, always with a beautiful smile on your face. I know your family loves you dearly. Lannes, Leigh, and Dawn would always just light up when we talked of you. You have a tremendous family that are great christians who truly cherished every single moment they had with you. I know you are in heaven today, smiling, jumping around, and worshipping your Lord and Saviour. I promise to see you there soon.*

Love,
