“ Mrs Jenkins was my neighbor, teacher, and friend. She and I lived across the creek, he worked his cattle, she canned and quilted...a skill she taught my wife. Our last visit was most enjoyable, we laughed about the things us boys would do, the times we got into trouble, she laughed and shared those special days. I will miss this lady, teacher, and neighbor.###imported-begin##Henry and Elaine Stewart###imported-end##

“ Dear Family, Friends and Friend/Caregivers of Lillian Jenkins,

*I loved being in Mrs. Jenkins's Home Economics Class and Future Homemaker's Club, FHA.*

*I learned so much about the rules of cooking and sewing, but have become a much better cook than seamstress (Mrs. Jenkins would definitely agree about the seamstress/sewing)!*

*She was so gracious and introduced this southern gal, now Oregonian, to many vegetables and dishes that were not on our menu at home. I still remember making apple butter, Eggs 'a la Goldenrod, and starting that sausage in a COLD skillet.*

*May God Bless all of you richly at this time and may the Peace that Passeth All Understanding be with you!*

*I feel very priledged to have been one of her students and I am now a teacher of Nursing myself.*

*I still follow principles of cooking that she taught us and have taught some of those to my daughter and granddaughter.*

*Lillian Jenkins lives on in our hearts and actions!*

*With Much Love,*
