“ Sandra & family,  
  
My deepest sympathy to you and your family on your mother's passing. When my father passed away last year, a friend shared a quote from Taylor Cadlwell with me. It has given me comfort and peace during the most difficult times. I hope that it gives you comfort as well.  
  
"Death is not a calamity to he who dies; it is only a calamity to those he leaves behind; for death is deliverance and joy and eternal peace and bliss. God be with you and may He bring you his blessed peace.
