“ My sweet, dear friend Linda will be so missed!
I will never forget the first week in our new
home in North Carolina, Linda and Veto drove
up, catching me stomping around in the dirt
and mud of a new yard, planting flowers.
Linda got out of the car, instructed me to "clean up, I brought you a
cake!"

*That was the beginning of a 27 year friendship that I will treasure for
the rest of my life. She always had a beautiful smile and a sweet,
funny story to share, she kept me laughing all the time.*

*Veto, Trevor, Trent and Tyler, all the daughters-in-law, the grands,
you are in our prayers and constant thoughts. My tears are heavy,
but heavy with relief that Linda is now back to her wonderful self in
Heaven, entertaining and cooking away for others.*

We love you all!

“ From the first time we met Linda her love for people and huge heart were obvious. Family was so very important to her. She lived a loving life, raised three amazing sons, who took wives who carried Linda's type of love and heart. Those three families continue carrying her love forward with the six awesome grandchildren they have brought into this world. The best gift Linda gave to her family was her loving, giving, and faith. Her grandchildren are old enough that they have all absorbed what she had to give.

We loved her very much. We will continue to love the rest of her family as we are privileged to be a part of some of that same family. She will always hold a place in our hearts. ❤️❤️

We are here for each and everyone of you. Veto, you are so special to us. We hope to stay in touch.

Love and Condolences to all. 🙏🙏
