“ Linda was my first cousin but more like my older sister, since we were raised together. She was a shining example for trusting that God had a plan for her, even through her suffering. I have many fond memories of all the fun times we’ve had together and she will forever be in my heart. I’ll be seeing you again and will love you always.

I’m sure you kids and grandkids know that she loved you with all of her heart.

“ I am deeply sorry for your loss and send my most sincere condolences to the entire family. I've known Brett for 18 years now. He's a fine gentleman and always spoke very highly of his mother. She was clearly a fine lady to have raised such a fine son, along with the rest of the family that Brett has told me about.

My thoughts and prayers have been with all of you in the Cooper family since I learned of Linda's passing last week.

*With most sincere condolences,
Bob Bowen*
