“ This was my friend first then she became my sister, my family! I could tell her anything and it stayed there. Just between us. She made me smile on hard days and laugh on good or bad days. She would listen to me cry and share my problems. She would hug me and tell me how it was going to be alright. I miss you already and will miss you as time goes on! I love you beautiful, beyond words! You were my Joyce Ann and you always will be! Rest easy love and I'll be seeing you on that beautiful shore, by and by! Until then tell Liam his mom loves him and misses him! I'm sure he will be smiling when he sees you!

Love always,  
your sister, Carla Haney
