“ *I only knew Linda through the time she worked at Barnett's plant nursery many years ago, but I recall her being so helpful to me when I shopped there. Since that time, I have enjoyed getting to know her sister, Peachie, and her niece, Heather. We've shared many laughs together, and I know they will miss Linda!*

“ I will always remember how much Linda made the cousins laugh! Her playfulness with us kids was contagious. I think everything I learned about taking care of children I learned from her. She loved her children and grandchildren more than life itself.
