“ Dear Ted, Chris and Kelly,
I am so sorry to hear about Linda. I have great fun filled memories of spending time with your family. I always felt loved and cared for whenever I was with the Holtzclaws. I will be remembering all of you in the weeks ahead and it is my prayer that you will find comfort in knowing that she is in her heavenly home now, pain free and looking over you all with that same pride she had when anyone asked about you. I will forever remember that spark she had and when I doI will smile. Blessed to know her and to love her.

“ Ted.

Max and I were sadden to learn of Linda's passing so suddenly. I loved her so much and will always remember her and you for not wanting her to come to my counter at Belk's. I know you were kidding, right?

She will always be remembered as a loving and caring wife and mother to you, Chris, and Kelly.

Max sends his condolences also. He was as shocked and saddened as I was. He called me at work when he heard of her sudden passing.

I pray that God will help you get thru this.

With Saddness,

“ Ted, Chris, and Kelly,

We were so very sad to hear of Linda's death. Our thoughts and prayers are with you now and in the days ahead. Take comfort from the presence of your family and friends and hold them close. Linda was such a dear cousin and always added some fun and light when she was around. I remember when I was a little girl that Linda would take me to the Grand Theater in Greer and tell the ticket office that I should be let in for free because I would be sitting in her lap. She was always such fun! Remember the good times and keep them in your heart.

*With much love,

“ Ted, Kelley & Chris,

Our hearts were broken when we were told of Linda's death. We loved her so much. She was a special lady and loved her family deeply. She was so proud of her children and grandchildren. Anytime I talked with her she would talk about you. I know she will be missed everyday. May God surround each of you with his arms and give you comfort during this terrible tragedy.

“ Dear Holtzclaw & Hall Families:
We are so sad to learn of Linda's death. Linda, Welda, Joan and I were playmates during our elementary school days when we lived off Arlington Road - oh what fun we had in those days! Skating and bicycle riding was the biggest part of our day with our friends - I have such fond memories of those days. We pray that God's loving arms will surround you and give you peace and your fond memories will keep Linda close to your heart. We can rejoice in the promise that we will see our loved ones again in the care of our Savior in Heaven and they will be in a new body with no pain. May God bless you all and may His mercy give you strength during this sad time. With our love and prayers.
