“ Raymond, Sonda, Debra, and family, I am sitting here stunned, because I have just, on Saturday night, learned of Gail's passing. My heart feels so sad, because I loved her very much, thought of her alot, and prayed for her, as well as for the entire family. I will never forget her smile, and how many times she made me laugh. I am so sorry I was not there for you today, but rest assured, I would have been, had I known about her passing. It is no one's fault that I nor Mama and Daddy knew. I have just called them, and like me, they just cannot grasp her passing. They express their sympathy too. We will talk before long. Prayers will be with you all.

“ I met Gail when we worked together at the Western Steer in Gastonia,NC., in the early 80's. We became the best of friends and kept in touch throughout the years. I watched her girls grow into the wonderful ladies they are today. She was one of the dearest friends anyone could ask for and was loved by everyone. She never complained about anything, even though she had a lot of medical issues. I will miss you sweet friend. May you finally rest in peace. My prayers will be with Raymond, Debra and Sonda, as they deal with the loss the best wife, mother, grandmother, great-grandmother ever. Love and miss you Gail. Your forever friend, Thelma Redlinger
