“ I always wished Linda was my older sister rather than my aunt. She was about 9 years older than me and full of fun. I always thought she was beautiful and always smiling!! She definitely was a little on the crazy and fun side but always in a good way. I have a lot of wonderful memories of all my aunts and uncles, my dad Tom was in the Air Force so coming to South Carolina was always special because I was able to see my mom's family and my dad's. One of my favorite memories was when Linda had gotten her license, we jumped in the car, got on the Duncan Highway and went to Greer and bought a Coke in the bottle. That was the best tasting Coke and I felt like I was something special because that is how Linda made me feel!! I will always cherish the times we spent with Linda and the family. They all were called home at a young age but I know they are all rejoicing with The Lord until we all can be together!! To Sam, thank you for taking care of my sweet aunt and I pray that the Lord bless you with special and wonderful memories of her!! Linda, I love you and will always have wonderful memories of you!! Your passing has brought sorrow to us but also happiness because now you can remember all the kindness, love and happiness you brought to others!! Love you always and forever, Kay Sherbert Holmes

“ I worked with Linda at Wunda Weve Carpets many years ago. We had a lot of special family there at work. We shared numerous good times. Linda was always so sweet! Sam would tell a bunch of funny jokes and stories. So glad they could spend some wonderful quality time together!

Special lady will be missed, but her memories will endure. Much sympathy and prayers!
