“ Sweet aunt Linda, I'll miss you until we meet again. I'll cherish the memories of your voice every time we spoke, the joy you expressed in every conversation. You really knew how to make people feel loved and special. I remember a particular summer vacation with you as a little girl; making clay creations in the kitchen with the boys and going swimming all day at the pool. You and uncle Stephen always made me smile and laugh because you loved each other so much and were never ashamed to show it. I remember we watched home videos of your tour in Italy together...the start of your love story. You were giddy with the memories of your youth and how “so handsome and young” uncle Stephen was. Your place in our hearts, at our tables, in our fondest of memories will live on forever-this side of Heaven. Love, Jessica 🌸🌸🌸
