“ Many years ago back in the 1990's, when I was a middle schooler in Batavia, NY, Linda (& Bob) lived across the street from us. Linda was always so kind and treated me like family. She always looked out for me, especially during the summertime when my Dad was working. Although it's been many years, as I lost touch when she moved out of the area, I remember Linda fondly, and she will always hold a special place in my heart.
