“ Jean I am so sorry for your and your family's loss. I know how close you, Ruth and Linda were. Y'all went on trips together, out to eat together and shopping together. I know how much she is going to be missed. I hope you and Ruth can laugh and cry together when you think of all the wonderful memories you have with Linda. You all are in my prayers.

Linda was my best friend and partner in crime (1 time) all through high school. We were in chorus together and every other class! She was my maid of honor when I got married and I loved her whole family. I will always cherish these sweet memories!!
