“ I worked with Lisa; we began on the same day and trained together. Lisa was an Amazing Woman. She always had a smile and a hug for you; such a beautiful soul. She is greatly missed. Prayers for her family.

“ I worked with Lisa back in the '90s. She was so much fun and such a bright spot in my workdays. Sadly, I haven't seen her since then, but I have always thought of her fondly. She was a good friend. We are praying for her family and I know she will be greatly missed.

I'm so sad to hear of Lisa's passing. I worked with Lisa at Blockbuster. She was very sweet and kind to me. We were friends but I hadn't heard from her since 2016. She was a joy to be with and had a great sense of humor. I won't forget her beautiful spirit. May you feel God's comforting presence during this time of sorrow.
