“ Lisa was a beautiful person inside and out, and I was blessed to count her my friend. Always smiling. Always caring. Always giving 110%. Always going the extra mile for the Shriners kids. I didn't know all her family, but back in the day I witnessed how much she loved Myrtice and Donnie and Jason. They were her world!
Even though she loved to be pampered, she never let it spoil her. She was a class act who was with us for too short a time, and she will be missed!
