“ *Moms I will miss you so much but I know the pain and suffering is over and you are in a better place than we are here. You will be missed so much by all if us kids but we will se you again someday and we will all rejoice together in heaven one day. I know you will always be there in spirit with us everywhere we go and will always be looking over us as you always did. “ Lisa was a kind and fun person. I greatly enjoyed sitting in front of her at church. She always had a joke and could make me laugh, and she always greeted me with a loving hug.
