“ Bobby, I am so sorry for your loss. The woman who could hold the heart of a man who has been a true friend and mentor to so many young men including myself, for 65 years, must truly have been a living angel on earth. Heaven has added another highly respected, and immensely qualified member to its rank of angels. I am proud to know that she will be watching over us all. From all the stories that you've told me about Mrs. Hawkins, and the light in your eyes when you were telling them about your lives together, has lived a life worth celebrating proudly.  
Sincerely,  
Robert O'Dell ( Peanut )
