“ *The Scriptures as the truth and the power of God - with these we confront the reality of death. For to me to live is Christ, and to die is gain." Now, you understand that those two are inseparable. You cannot say that death is gain unless you live in Christ and Lollie Gibson truly lived in Christ. When someone we loved as much as we loved Lollie becomes a memory the very memory then becomes a treasure and that is what Lollie was a treasure on earth sent by God. As a family as is what Lee Road Baptist Church is we need to gather, to grieve, to celebrate, to praise, to mourn, to love and to remember the life that was Lollie Gibson and then to pray that we each strive be half the Godly person that he was. Lollie may you find comfort in the wings of the angels and Ellen and family may you always find comfort with yourself during this time, as you lean on the strength and the love of the Lord. Feel yourself surrounded by the prayers and thoughts of all who care for you deeply. I send you my own loving thoughts and prayers with much love. Grief is a journey of the heart to be taken one step at a time, side-by-side with the Lord.##imported-begin##Lee Road Church Family Member##imported-end##*

He was a very intelligent and honest christian man, someone we all should strive to be like. “ *Ellen and Family,*  
*Sometime its the good deeds of our friends and loved ones when they were still with us that shine in our hearts and lives that makes us feel their presence even after they are gone.*  
*Lollie Gibson was one of those people whose actions in the way he lived his life that will always touch each and everyone of us who had the pleasure to have known him.*  
*Nothing can ever heal the pain of losing a loved one, but it's the memories of how godly this man was in his walk with God on this earth that keeps the rest of us going. May you Ellen and family find confort in those memories.*  
*At this hour of grief, though we can't be beside you, our thoughts and prayers are always with you.##imported-begin##Joe and Jean Epps and Family##imported-end##*
